		Page: 1/1

THIS DECLARATION MUST BE FULFILLED AND SIGNED BY ALL TEAM MEMBERS and ITR PRIOR TO TAKING PART IN AN ASSIGNMENT.

Project/PoA title	Mramorak 1&2 Bundled Biogas Power Plants		
Type of service	PA Validation	GHG program	ICR
Project scale	Small	Project kind	Project activity
Project participant(s)	Zlatar Mramorak doo		
Organization(s) involved in the identification and development of this PA	Zlatar Mramorak doo		
Organization(s) involved in the consultancy of this PA	Kilittaşı Mühendislik		
Organization(s) involved in the financing of this PA	N/A		

I declare and confirm, to the best of my knowledge, the following:

- There is no possibility of any conflict of interest in accepting this Validation assignment between myself and the project participants and/or the coordinating and managing entity and/or the consultant and/or project.
- I personally have not been involved in the identification, development, consultancy or financing of this project activity.
- The company/organization I had been working for has not been involved in the identification, development, consultancy or financing of this project activity.
- I did not have any professional relationship, other than 3rd-party conformity assessment, with the project participants of this project activity within the past two years.
- While conducting this Validation assignment of this project activity, I will not provide any advice, consultancy or recommendation to the project participants on how to address any deficiencies that may be identified during the service.
